Your paper should be in the same format as this file. The abstract goes here. Your abstract should be a maximum of 300 words here clearly outlining the contribution of your paper. Abstract is in italic fonts.

KEY WORDS

Maximum of six words. *e.g.*. Modelling, simulation, artificial intelligence and neural networks

1. Introduction

Clearly explain the nature of the problem, previous work, purpose, and contribution of the paper.

2. Body of Paper

For the body of your document, use Times New Roman font, 10-point type size, single-spaced. The whole document should be fully justified (not only left-justified). Headings should be 12-point, upper- and lower-case, bold or 10pt upper case, bold. Subheadings should be 10-point upper- and lower-case.
